having clear boundaries is essential to a healthy balanced lifestyle a boundary is a personal property line that marks those things for which we are responsible in other words boundaries define who we are and who we are not boundaries impact all areas of our lives physical boundaries help us determine who may touch us and under what circumstances mental boundaries give us the freedom to have our own thoughts and opinions emotional boundaries help us to deal with our own emotions and disengage from the harmful manipulative emotions of others spiritual boundaries help us to distinguish god s will from our own and give us renewed awe for our creator often christians focus so much on being loving and unselfish that

they forget their own limits and limitations when confronted with their lack of boundaries they ask can i set limits and still be a loving person what are legitimate boundaries what if someone is upset or hurt by my boundaries how do i answer someone who wants my time love energy or money aren't boundaries selfish why do i feel guilty or afraid when i consider setting boundaries dr henry cloud and dr john townsend offer biblically based answers to these and other tough questions showing us how to set healthy boundaries with our parents spouses children friends co workers and even ourselves

improve your relationship with your spouse and gain life changing insights

in this life changing book you ll learn ten pathways of success that will help you redirect your mistakes and make way for success physically personally and spiritually everyone makes mistakes big and small sometimes our mistakes take us down the wrong path and send us spiraling into destructive life patterns and sometimes we learn a lesson and never make the same mistake again but how do we recognize our destructive patterns make new choices and then follow through in never go back bestselling author dr henry cloud shares ten doorways to success and once we walk through these new pathways we never go back again his proven method based on grace not guilt outlines ten common life patterns that sabotage success and lays out clear concrete steps you can take to overcome them you ll see your relationships flourish your personal life enhanced and your faith strengthened dr cloud s powerful message reveals doorways to understanding once you enter them you will get from where you were to where you want to be with a winning combination of eternal principles spiritual wisdom and modern scientific data never go back will put your heart in the right place with yourself and with god

from the very beginning you relied on her for things no one else could give you how she met those needs or didn't meet them affected you daily as a child and still affects you profoundly as an adult for every son or daughter who wonders if things should have been different for every man or woman who wonders if they still couldn't be here s a life changing look at the mom factor she shaped you in ways that would surprise you both no one has influenced the person you are today like your mother the way she handled your needs as a child has shaped your worldview your relationships your marriage your career your self image your life how can you identify areas that need reshaping make positive choices for personal change and establish a balanced mature relationship with mom today in the mom factor drs henry cloud and john townsend steer you down a path of discovery and growth beyond the effects of six common mothering styles the phantom mom the china doll mom the controlling mom the trophy mom the still the boss mom the american express mom cloud and townsend show you how your mom affected you as a child and may still be affecting you today you ll find a hopeful realistic and empowering approach to identifying your unmet mothering needs and filling them in healthy life

changing ways through other people this encouraging book doesn't just help you understand areas in your life that need change and strengthening it helps you apply your discoveries to attain new freedom and joy in living and an increased ability to give and receive love the mom factor is a biblical highly practical route to wholeness and growth deeper and more satisfying bonds with your family friends and spouse and a new healthier way of relating to your mother today

safe people will help you discover why good people can get tangled in bad relationships how to avoid repeating your own mistakes and how to pick safe healthy people for the friends you make and the company you keep too many of us have invested in relationships that have gone wrong maybe you've been judged manipulated or controlled or maybe you've trusted the wrong people in the past it's easy to make the same mistakes of judgment over and over or worse to give up on trying to have great authentic relationships again but it doesn't have to be that way in safe people drs henry cloud and john townsend teach you that being with an unsafe person can be damaging to your confidence your trust in others and even your health you'll learn that you have the power to surround yourself with accepting honest and safe people who draw you closer to being the person god intended you to be drs cloud and townsend authors of the new york times bestseller boundaries are here to share the lessons they've learned in their years of practicing psychology and studying the patterns and practices that support clear biblical boundaries in safe people they offer guidance for making safe choices in all of your day to day relationships from family and friends to colleagues and partners safe people will give you the tools you need to recognize what makes people relationally safe form positive relationships and even become a safe person along the way drs cloud and townsend share expert insights that will help you ask important questions how can i learn to pick better friends why do i choose people who let me down how did i end up with this critical boss how do i attract irresponsible people why did i invest money with that unscrupulous person what is it about me that draws the wrong types of people to me why am i drawn to the wrong types of people it's time to revitalize your connections and finally start enjoying the healthy balanced relationships that you deserve

since the beginning of time people have searched for happiness and have amassed many and varied opinions on how it is found only recently has empirical science devoted extensive research to questions such as is happiness within our control what role does god play in making people happy how do i close the gap between where i want drawing from the latest scientific and psychological research on the quest for happiness the law of happiness reveals that the spiritual truths of the bible hold the secrets to the happiness we desire as dr henry cloud unpacks these universal eternal principles he reveals that true happiness is not about circumstances physical health financial success or even about the people in our lives in other words it's not about the factors that are frequently beyond our control rather happiness is found in choosing to become the kind of people god created us

to be with chapter titles like happy people connect happy people are envy free and happy people forgive dr cloud shows just how happiness is achieved as he sets readers on a pathway of spiritual transformation that connects them with the god of the universe with these new tools readers will discover that their relationships their careers and their inner selves are infused with the joy they've been seeking

get the summary of dr henry cloud's trust in 20 minutes please note this is a summary not the original book trust by dr henry cloud examines the delicate and complex nature of trust its foundational role in both personal and professional relationships and the mechanisms behind its development and restoration the book begins with a tense corporate conflict showcasing how trust can be damaged and repaired through understanding and dialogue trust is presented as a multifaceted concept essential for emotional development economic prosperity and societal health

new york times bestselling author psychologist and leadership expert henry cloud equips us to understand and manage trust for successful relationships through five foundational aspects trust is the fuel for all of life we are wired biologically neurologically emotionally spiritually and psychologically to trust trust is the currency that drives every relationship beginning with the foundational bond between infants and their mothers extending to the trust networks that undergird every human endeavor art science commerce and binding together every relationship we have ever had or ever will have nothing in our world works without trust it is tempting to think that trust is simple that we should be able to spot a lack of trustworthiness relatively easily but we all have our stories about misplaced trust we either missed clear or subtle warning signs or there just were not any warning signs to see everything looked good on the surface and maybe it was but we got burned anyway and sometimes we struggle to earn and keep the trust of those around us when trust bonds fail to form or are broken when trust breaks down so does our ability to move forward dr cloud explores the five foundational aspects of trust that must be present for any relationship to function successfully and helps us to understand how to implement them he also guides us through the difficult process of repairing trust when it has been violated and broken even when restoring trust feels impossible rich with wisdom drawn from decades of experience in clinical practice business consulting and research trust is the ultimate resource for managing this most complex and fundamental of human bonds allowing us to experience more fruitful and rewarding relationships in every area of our lives
